Paris Las Vegas Hotel**

**January 26 – 29, 2023
In-Person and Virtual**

**Sponsorship and
Exhibit Opportunities**

Be Where Your Prospects and Clients Will Be Present!

What Is IAIME?

Founded in 1986, the International Academy of Independent Medical Evaluators (IAIME) sole purpose was to create a medical organization that would teach the unique skills and techniques required to perform independent medical evaluations and reviews to healthcare professionals in the medicolegal industry.

Over the years, professionals from all 50 states, Canada, Australia, and Europe have attended IAIME meetings and become IAIME members and Fellows.

IAIME has become the ultimate society for those interested in evidence-based knowledge, techniques and procedures that enhance independent medical evaluation, injury prevention and injury treatment, ideal for physicians, chiropractors, psychologists, allied health professionals, legal insurance, or risk management professionals.

Your Invitation Opportunity

From January 26 to January 29, 2023, the 36th IAIME Annual Scientific Meeting will be held in Las Vegas, Nevada. We would like to invite your company to be one of the industry sponsors to attend the meeting. Our industry sponsors and IAIME attendees spend 2 full days of the meeting together, which has proven to be an invaluable resource for both groups in the past. This gives everyone plenty of time to engage in thought-provoking discussions, share ideas, and form strategic partnerships.

Who Attends IAIME Conferences?

Physicians, Chiropractors, Psychologists (MD, DO, DC, Ph.D., PsyD), who treat or perform impairment evaluations, as well as Nurse Case Managers, Claims Examiners, Risk-Management Professionals, and Attorneys.

Still Have Questions About This Outstanding Conference?
